

NAI Global Welcomes NAI Pfefferle with Offices in Three Wisconsin Markets

John Pfefferle, Chief Executive Officer of Pfefferle Companies, Inc. announced that the firm has become part of NAI Global, a leading global commercial real estate brokerage firm with over 400 offices worldwide. Effective immediately, the brokerage division of the company will do business as NAI Pfefferle. Headquartered in Appleton, NAI Pfefferle also has offices in Green Bay and Wausau, WI. The firm’s 20 advisors and brokers specialize in office, industrial and retail leasing, investment sales and land sales. NAI Pfefferle currently has over 500 commercial listings.

ANNOUNCEMENT DETAIL

- NAI Pfefferle is part of NAI Global and provides a comprehensive range of professional commercial real estate services, including site acquisition and evaluation, tenant and buyer representation, corporate services, leasing, sales, development and real estate consulting.
- Our company has brokered more than \$250 million of real estate sale and lease transactions in the past three years, including transactions for many high-profile clients.
- Pfefferle Management will continue to operate under its own brand, and is one of the largest privately held management companies in Wisconsin with more than 13 million square feet of commercial property under management throughout the Midwest.
- “We are thrilled to be part of NAI Global, a highly professional operation that provides strong internal services and support to NAI offices. It’s important to us to be connected and branded with a national and international real estate services company yet at the same time retain our own identity in keeping the Pfefferle name, which holds value in dozens of Wisconsin communities. We look forward to generating business with other NAI offices and getting integrated into the company’s systems as quickly as possible,” said NAI Pfefferle President Mike Pfefferle.
- NAI Global President Jay Olshonsky, FRICS, SIOR, said that “NAI Pfefferle makes NAI Global stronger, extending the NAI footprint in the Midwest, serving hundreds upon hundreds of investors and companies in industrial, office and retail requirements.”
